

Arriving Berlin by airplane at TXL!

We intend to pick you up at the gate when you arrive at Tegel airport (TXL). So you should see someone with the „NATO Chess Logo“, if we know when and where you arrive. In this case, don't worry if you don't see someone directly, he'll be back!

If we do not have specific information about your arrival (for example heavy delay, different gate or flight), just follow the yellow sign (see picture below) for „Bus“.

- If you then see a bus with the „NATO Chess Logo“, it's okay.
- If you don't see one, call me so I can send it!

If you are outside, on the left hand side you'll find a parking lot, where the busses usually are.

Watch out for the „NATO Chess Logo“ at the shuttle bus.
