

Arriving Berlin by train!

Meeting point for pickup service will be the „Friedrich-List-Ufer“ at the south portal of Berlin central station (in german: Berlin Hauptbahnhof)

Orientation:

When you arrive at railway station, look outside and see the „chancellor’s residence“ (left) and the „Swiss embassy“ (right) at the south portal, you are right!

- If you then see a bus with the „NATO Chess Logo“, it’s okay.
- If you don’t see one, call me so I can send it!

On the left hand side (yellow circle) you’ll find the street „Friedrich-List-Ufer“

Watch out for the „NATO Chess Logo“ at the shuttle bus.
